Dear Phyllis,

Well old girl its almost time for us to pull out of here and what a sad day it will be. I love this school so much. (Believe it or not.) These last three years have been wonderful and I think you are wonderful too. Never forget all the good times we have had together and even if we weren't always sweet we still had a good time. No??? I hope my and your future will be happy as ours in high school has been or even happier if you wish.

Phyllis I'll never forget all those heads you have pulled. Never a dull moment around you. No wonder "Hit" looks as if he has a smile frozen on his face you keep him laughing all the time. Boy what a head you are. When you graduate I am going to give you a book full of jokes so we can all be happy.

Remember all the swell times we have had. There are so many I can't think of them all. If I could your book would be covered with them. But there are a few that stands out above all. Remember all the double dates we have had together. And oh that wonderful day we saw Ring. Sssssssss I never was so thrilled in my life as I was that day. Remember when Sammie and Norman and you & I use to double date. We had to change our oil No???. Oh get some air in our tires. Ha! Ha! Head - Head. Remember when Micky, Hit, you & I use to go to Covington. Those Shows were good. I still remember the first one I saw with Mickey. The show was so good I couldn't forget who the lucky person was that took me. Ha! Ha! Remember at the camp don't answer. Yes I know. That block was a beauty. Bill Shaw & Lib were so much on the ice too. I hope this year at Hoothoot will be a wonderful one. I want to get on block ob your Room mate. Here we go again changing pens. I haven't changed much, May!! It's about time I finished this page.

We really use to have some good times. Remember the 8. 19 days. How could I you forget. I wonder where they are now. I would love to see them. No??? Remember the Prom Part Year. I wonder where we went. (?) I wonder who we drew with. (7) At least you kept it in the family. Doesn't this pen write awfull. Well you can't read it. We had a lot of fun decorating for the Prom. And Remember the board Bob. Put on us. We didn't paint much, new!!! And all those rock we painted. But it was a big success even if we did work hard.

Remember all the picnics we have been on together. More fun. And all the times we went to Hoothoot. I would like to work up there. We had fun last year. This writing is awfull I don't know if it is me or this pen. Remember the Junior Variety Show. Boy you were a killer diller. Hi! Ya! "Man" were in "Paw". And when Arlene had to

Dear Phyllis,

Well, the days are passing quickly, and in no time at all, we're probably be stumbling down the aisle (the Auditorium of course). I can't believe that all the things we've loved so much will soon be over. I guess we'll have to acquire that quality of Wordsworth. Know what I mean? I'm sure we do that anyway. It's been so much fun being in your classes and being a cheerleader with you. How many times do I have to be told that I'm gonna' break my neck! Remember? Ha. Augee Prat" and all those wonderful times practicing. Why can't we just be freshmen again next year. Dee'd I mention last May 23. I didn't hear "Down By the Old Mill Stream" — but who could let that interfere on such a happy occasion. I'm looking forward to this year's so much. Of course you aren't! Nay! Not much. I know we've never double-dated, but we've been out in groups together and it's really been fun. Dit is certainly a lucky boy. You'd better tell him to quit standing on the corner at night — or either's I'd better stay inside.

Well, let's get to the good ole' sentimental side of this "Perfect Day" all four years included. I hope the separation will never break our friendship or the memory of any of the wonderful things we've done. Clifton's loss will be Madison's gain next year, and I wish you all the success and Happiness in the world. You deserve it. Be real good to Dit and I'll be seeing both of you sometime — even if it's fifty years from now.

I hope Mr. Brooks won't mind my asking people to remember what he said Sun. night. I think we'd all do well to remember it. Happiness can be yours.

Love,
Marilyn

Dearest Phyllis,

Sometimes when you know the time has almo
come to say good-bye, you can't even think o
the right words to express how you feel and
that's the way I feel about saying good-b
to you- your friendship has meant more to
me than you'll ever know. You're always
so happy and full of life, that I feel the
same way when I'm around you. Phyllis
never lose that winning smile and happ
go-lucky feeling. It'll come in very handy
when the going gets rough.

We've had so many times together that I
can't decide which time better, but I'll
always remember the night you spent
at my house. We had so much fun. And
that trip to Washington! Those pictures
of you in the bathtub- mom made
2 copies! "They're SO!!" There they go!!"

But seriously, Phyllis, when we don't ways
don't forget all the wonderful times we've
had together, and don't forget to write
me when you go to Madison.

God watch over you and keep you
safe forever-

Lots of love-
Charlotte.

Senior Class History

We, the Senior Class of 1948, started on our journey through high school during September, 1944. We chose Pete Kostel, president; Marilyn Miller, vice president; Gerald Thomas, secretary; Charoltte Paxton, treasurer; and Miss Kay Sprinkle, sponsor. The outstanding memories of our first year include the Halloween dance given for us by the Senior Class and our initiation in assembly.

Beginning to feel our importance as high school students, we confidently entered our sophomore year. To guide us through this year, we elected Charlotte Paxton, president; Reuben Showalter, vice president; Gerald Thomas, secretary; Marilyn Miller, treasurer; and Miss Agnes Pickral, sponsor.

Our most pleasant memory of our sophomore year was a successful comedy, "Make Room for Rodney," given for assembly. Those taking part—Jimmy Sutherland, Anne Rudisill, Betty Lou Green, Marilyn Miller, Pete Kostel, Tommy Woods, Kenny Payne and Rachel Wright.

With a realization of the work and fun that lay ahead of us, we eagerly entered our junior year which brought us many pleasurers. We elected Eleanor Deaton, president; Aubrey Bayne, vice president; Marilyn Miller, secretary; Jimmy Sutherland, treasurer; and Miss Katie Wilson, sponsor.

In order to raise funds to give the seniors a prom that they would always remember and cherish, we sponsored a violin recital featuring Miss Leona Flood. With the help of Miss Wilson, we made this concert a huge success. A variety show under the direction of Miss Mary Frances Williams and Miss Mary Clancy was another highlight of our junior year.

However, planning for the junior-senior prom was the climax of our hard work. For the night of the prom, we decorated the gym with the senior class colors, white and red. The stage made an attractive picture with a white picket fence entwined with red roses and a rock path leading to an old mill. This mill had a revolving wheel which carried out the prom theme, "The Wheel of the Future." The students and their guests danced to the music of Gordon Chappell's orchestra under a lighting effect that simulated a blue sky in which a silver moon and stars were scattered. Our reward was the realization that the seniors greatly appreciated the dance and our efforts to make it so successful.

The juniors also decorated the tables for the senior banquet and sent formal invitations to the dance.

With a feeling that we had accomplished a great deal our junior year, we entered our last year with a sigh and a feeling of regret. We realized that this would be our last year as students of Clifton Forge High School. Determined to make this our most memorable year, we elected Tommy Woods, president; Anne Rudisill, vice president; Marilyn Miller, secretary; Leonard Smith, treasurer; and Miss Mary Frances Williams, sponsor.

Our first important memory during this year was that of the Halloween Dance which we, after four years, were able to give for the freshman class and the eighth grade.

We chose as our senior play a comedy, "The Angell Brats," and the cast spent many hours in rehearsal. As a result the play attracted a large crowd of patrons and won much praise.

The central attraction of our senior year was the junior-senior prom given to us by the juniors and the annual senior banquet. The prom was a delightful social occasion; the stage was beautifully decorated.

After all the excitement of the prom was over, our thoughts turned to the much-dreamed-of night when we would receive our diplomas.

Class Poem

Now that our school days are almost past;
We have many memories that will last.
Some of us will seek higher learning;
For the best things of life, our hearts are yearning.

The play—the prom—graduation draw near.
Forever and ever our hearts will be here.
Our teachers, our friends, we all leave behind,
As in this wide world, new friends we find.

Our dreams of the future slowly come to light.
Now to us they seem quite a wonderful sight.
No more school, or English eight,
Or false excuses for being late.

Our Senior work in class is done.
But the problems in life have just begun.
No one knows what the future may hold,
We face it still with hearts that are bold.

God in heaven will be our guide.
And ever always, he'll be by our side
To cheer us, to help us in everyday life,
In joy or sadness, whatever the strife.

Dear Phyllis (sorry I wasn't thinking and I misspelled your name)

Well I guess I will pretend I am a fisherman and I'll drop you a few lines. First off I want to wish you all the luck in the world. You really deserve it.

Don't ever forget all our good times. Remember Douhat? That seems to be where we had our most fun. And at your house when we come up and act like nuts. The boat rides we would take Douhat and those dumb songs we used to make up about the rangers and so forth. Also don't forget the days we worked up here. On the four when I drank eight hundred and three orange. I don't know how many you had. Well "Phil" I guess I will have to be going now I gotta study for an English test next period.

Loads and lots of luck

Mountaineers of '47

With the coming of the fall and winter seasons, football rushed in to stay for a few months. Our boys were eager to begin the sport.

Mr. Walter Crawford and Mr. Alfred Hartley, our instructors, called for practice and a large number of boys responded. The boys were given helpful hints and suggestions about the way to achieve the finer as well as the fundamental points of the game. What had seemed an easy game became a game involving cooperation, coordination, and teamwork.

Our first game of the season was with Valley High. This was a hard-fought game by both teams. The final score was Valley High 13, Clifton Forge 13.

The next game of the season was with Harrisonburg. They won 33-6. Good sportsmanship was truly evident in this game. Waynesboro was the next opponent of the Green and Gold team. This game was considered by many as the best game of the season. Playing in the rain on a muddy field, the mountaineers battled with the Waynesboro team to a 7-0 finish in favor of the Mountaineers.

Clifton Forge tackled Winchester next, but was turned back 20-0. We met Robert E. Lee High School in Staunton but again were defeated back by a score of 19-0.

On Friday, November 7, the Clifton Forge Mountaineers met their traditional rivals, the Covington Cougars. In the opening minutes of the game, the Green and Gold recovered a Cougar fumble on their rivals twenty-yard line. In the seconds that followed the Cougars were completely baffled as the Mountaineers pulled a double lateral and a pass to an end for Clifton Forge's only touchdown. The highlight of the second half came when Clifton Forge punted the ball over the Cougar's goal. When the Cougar attempt to run it out failed, two more points were added to the Mountaineer score. Clifton Forge, however, was defeated with a 46-8 victory for the Cougars.

The last game of the football season was played with Lexington. This was a thrilling game from beginning to end. The final score was 20-6 in favor of Lexington.

Team cooperation and school spirit never faltered, even in the face of overwhelming odds. The fighting Green and Gold was spurred on by an enthusiastic student body.

We congratulate the Mountaineers of '47 on a most successful season.

Dear Bunion,

As I looked through your annual I noticed everybody started with Phyllis, so I thought I would be different. You said to write on a page in the back, this is the closest I could get. (To the back page..)

Although I know you didn't enjoy listening to my many (Ha.) troubles, I enjoyed telling them to you and listening to yours.

In a very short while, all the seniors, your class-mates, will be gone. I will be just as sorry as you because I love every one of them. My own class

Dear Phyllis,

It's really been swell knowing you this year and I certainly will miss you next year.

Don't ever forget the Harmony Club meetings and the times I came to the Baptist Church and grinned at you. Remember also who sold you your way back in September that you would get it for the most glamorous.

I hope that next year you'll be as good a cheerleader as you were. Remember those snake dances. Hoorah!!!

You're really one of the cutest girls I know and so very talented. Never stop singing for you just won't be Phyllis.

Best of luck in life. I know you'll succeed in everything you do.

Love ya.

Dear "Phil"

Well, I don't know how far I can get but I'll do my darndest.

This is finally our last year and it is really wonderful isn't it? It has been wonderful being with you all these years and I hope we can keep in touch with each other in the years to come.

Now I will start the don't forgets - the troubles we had with B.G. & B.T. They were really important then weren't they? The troubles you used to have getting your dates straight - I thought you would never get out of trouble. Never forget the wonderful dances we have been to and the parties afterward. I sorta lost track of you when I was going with Smokey but I try not to let it happen again.

I hope the Prom this year will be as good as last years (for you I expect it will) although it will never be the same for me. Remember the fun we had last year when we decorated for the Prom - even though we did have one dispute.

Of course you won't forget the Senior Play and the fun we had at practices. I really enjoyed it. I mean I honestly did. These memories are all wonderful and I can't possibly name all of them but I think you will remember.

I will say again that it has been wonderful being a friend of yours. Keep that peppy smile and you are sure to have your way in everything.

Love
"Betts"

P.S. Don't forget the night we stuck our feet out of the bedroom window.

P.S.S. Remember the many Friday nights we have gone to Sam's in Bob's car. "Okay"

Dear Phyllis,

Haven't we had fun this year? I'll never forget those wonderful times at the football games. We weren't very stupid! Nay——

Remember the times we have double-dated? Also, that night coming back from Covington when you all were following us. Pals!

I wonder why we kept looking out the window during our Social Science VII class? Lost — as in Nessie and Phil."

Phyllis, I hope you use music as your career. You would really go places. I'll always remember you with that beautiful auburn hair and smiling face.

May luck and happiness be with you and Dot always.

Remember me always as a true friend!

Love ya,

Wessie

Hello "Phil"

Well this is your last year (thank heavens). No, now I didn't mean it. Just think next year I'll be a Senior (I hope). What is the high school going to do without us. Remember all the good times we have had this year. Remember the Washington trip, especially the trip back. Boy!! We had some reputation when we got back didn't we. We know we had a nice clean time though. Remember the night of the 16th. Did you really take exercise to go to sleep. Just think a month from now will be the prom. We really have had some good times this year, haven't we. Remember the night we went to Covington to see "The Treasure of Sierra Madre". Do you remember anything about the picture. I don't. I guess its time to tell you the usual rot. Here goes. Best of luck's to a cute girl. I hope you will have all the luck in the world that is entitled to anyone. I know you will be a success in anything you do. Just remember me when you are Madison. Always remember the many things we did.

Bye Bye -
Love
Carolyn

P.S. I forgot to wish you all the best of luck with "Dit".

(Sweet Kentucky Babe) March 17, 48

Dear "Phil"

Well, Phil, this looks like our last year of 1948 we have had some wonderful times together. There are many things that I could talk about, but there's not much room. Ha!

There were a few good dances, like the H.-Y & Xmas dance & you can leave out the Youth Center. Ha! The best dance will probly be the Prom.

Remember one Sat. we were suppose to go on a little walk. & before we started you & Ann had a basket full of dog-food sandwiches. Ha! & think that was the only time that I ever made you angry. I think that can be easily done then. Remember the times we went with "Lou" & "Jean" Bowling & the time you threw the ball halfway down the alley. Some of those remarks that I make with you & about you I will always remember, like on page five of your Spanish book. Ha! You know what I said about you when you came into high school. well its just the opposite now. (No Kidding) & think that you are one swell girl & one that I'll never forget.

"Di?"
(←continued→)

There's one thing that I do want you to remember & that is the bets we made, Ha! especially the one about the five years. Well, "Phil", we finally get down the the phrase, "Best of Luck," Ha! but I'll try to write a sentence. To repeat again, I have had a wonderful time with you the last seven months & I hope that you won't forget them. I hope you have a good time at Madison & I think that you will get what you want if you stick to it. I still want that first invitation too & I'm not kidding. That's not one of my sarcastic remarks either. Remember the time we went to White Sulphur to see "Bing" & all the other accounts & no-accounts. HA!

Well, Phil, here's wishing you luck in every thing you do & don't forget the good times we had together.

(later)

Love
"DiT"

P.S.
Always remember that I black dress. HA!
